

## Safety Considerations for the LSRM

Are you familiar with the maintenance requirements for light sport airplanes (LSA)? At this informative safety briefing, we'll review the requirements for maintaining LSA aircraft, options for doing maintenance, and some unique concerns regarding Rotax engines and LSA models. Featured speaker is Carol Carpenter. Don't miss this unique opportunity! Note: This event has a cost.

**Directions:** Classroom in main terminal building

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
